

Metro Rings is our approach to the iconic double wedding ring pattern. It combines strip piecing with an easy approach to curved sewing to create the illusion of interlocking rings.

A great project for using 2-1/2" precut fabric strips.

Our Sew Square 10 ruler is the perfect companion to this pattern.

It has special marks to make the final square up stage a breeze!

Perfect for all skill levels.

Metro Rings 57 x 76

Materials:

- (35) 2-1/2" x wof strips
- 5 yards background fabric
- 1/2 yard each of
 - (2) different fabrics for setting triangles
