

Pickled Beets Quilt

Pre Class Document

Hello,

I'm looking forward to making Pickled Beets with you. This is a fun quilt that celebrates the traditional pickle-dish shape while putting a modern spin on it. It looks great in any fabric due to the classic shapes included so have fun raiding your stash or buying new fabric!

I've included a coloring sheet for you at the end of this so you can start to play and plan for your masterpiece.

Latifah

Pickled Beets has two sizes baby and lap. You can pick either one to work on during this class. Also, there are two orientations for you to select from. The Pickled Beets version is with the pickle-dish points pointing upwards with two background colors (like the chartreuse and white example quilt). If you have one instead of two background colors and rotate it you have the Pennants version like the example to the right! You can choose either style.

When you pull fabric for your quilt, don't limit yourself by the layouts on the example quilts. It can be scrappy, you can use multiple backgrounds, etc. Have fun pulling fabric and make this yours. We'll chat about fabric choices and so forth at the beginning of class so you don't have to make all your design decisions before class.

Fabric Requirements:

Baby Quilt - Pickled Beets Version

- 1 yd background fabric for baby sized quilt (white in main example quilt)
- 1 yd secondary background (chartreuse in example quilt)
- A combination of fabric to equal about 1 1/2 yards for pickle-dish points.

Lap Quilt - Pickled Beets Version

- 3 1/2 yds background fabric for lap sized quilt (white in main example quilt)
- 2 yds secondary background (chartreuse in example quilt)
- A combination of fabric to equal about 2 yards for pickle-dish points.

Baby Quilt - Pennants Version

- 2 yd background fabric for baby sized quilt
- A combination of fabric to equal about 1 1/2 yards for pickle-dish points.

Lap Quilt - Pennants Version

- 5 1/2 yds background fabric
- A combination of fabric to equal about 2 yards for pickle-dish points.

Pattern:

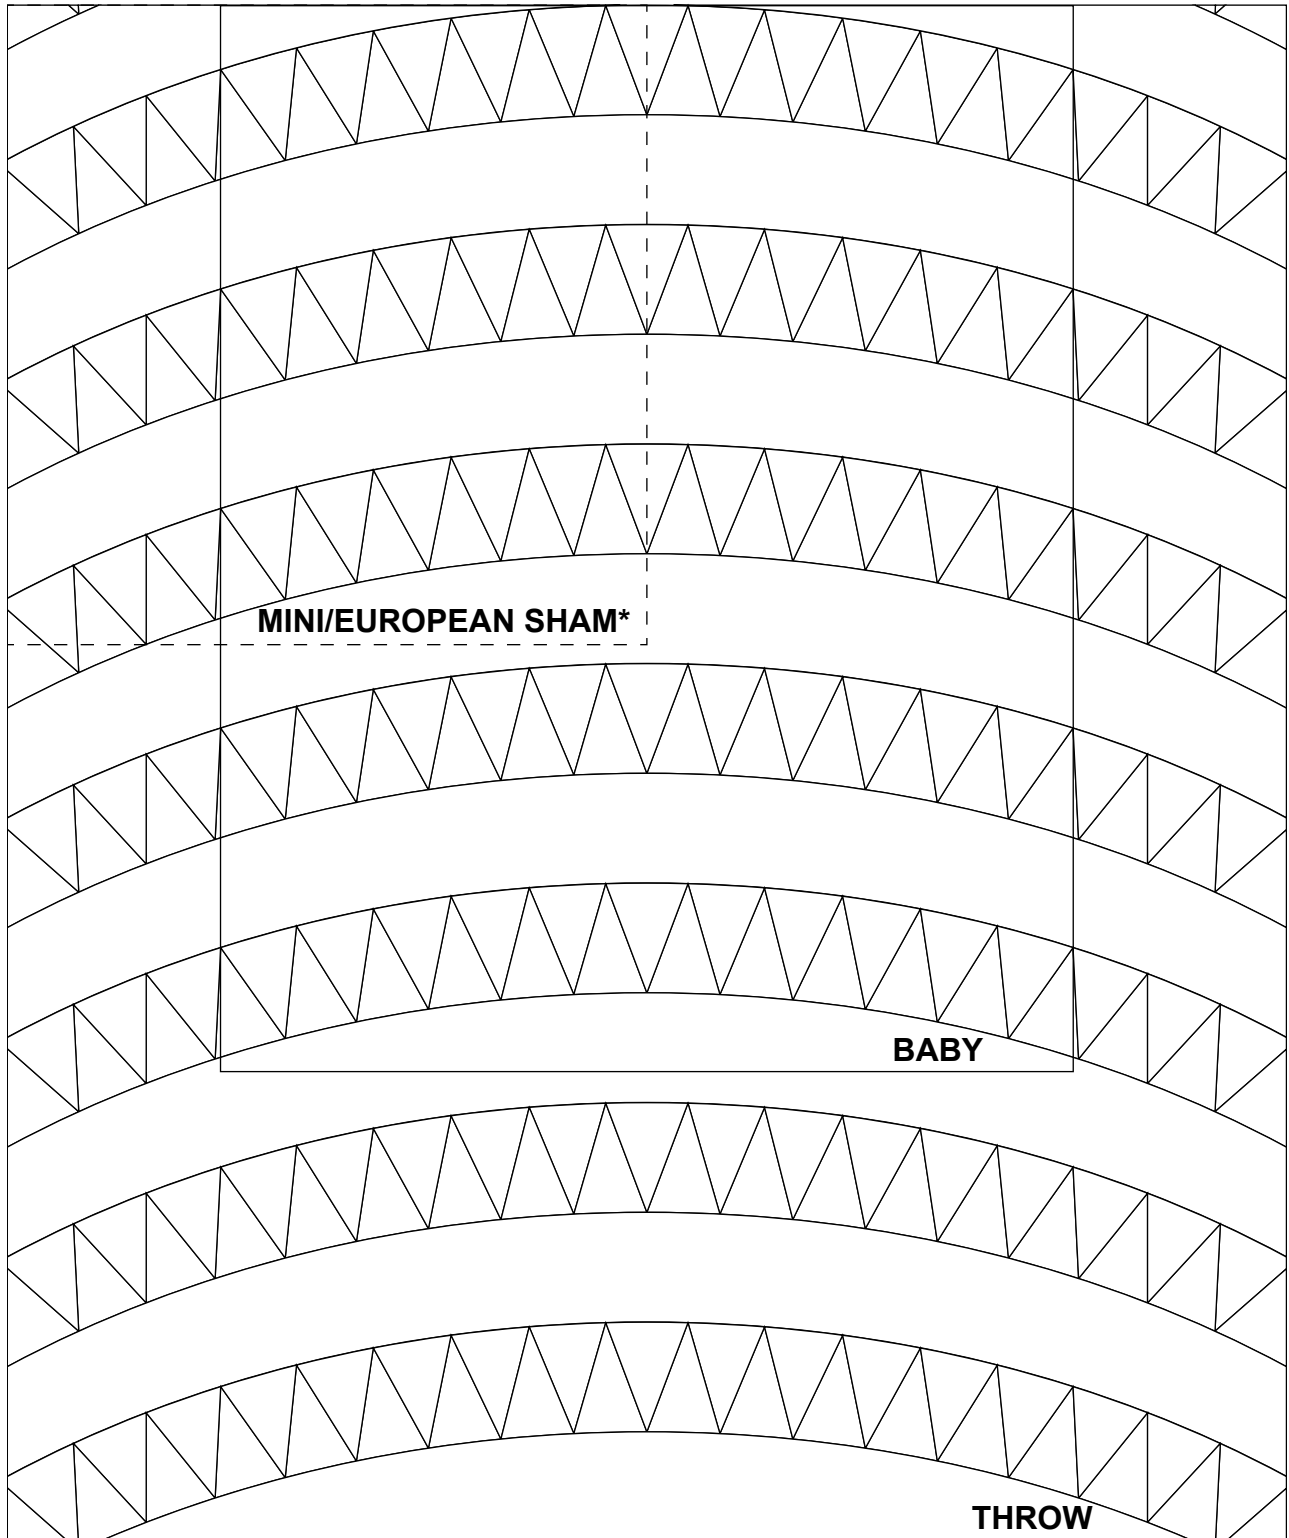

Pickled Beets Pattern (Purchase a copy from Stitchin Post - <https://stitchinpost.com/>)

Supplies Needed:

- Scotch tape
- Rotary cutter
- Acrylic ruler (6" x 12" is ideal)
- Add a Quarter ruler OR small ruler (2 1/2" x 8 1/2" is ideal)
- Cutting mat
- Paper scissors (or rotary cutter dedicated to cutting paper)
- Thread for piecing
- Flat head pins
- Sheet of template plastic, index card, or sheet of card stock
- Seam roller or creaser
