WORKSHOP DESCRIPTION

Just the title, “Dwellings” conjures up so many possibilities. Imagine creating a small piece inspired by travels, hometown, dream house or anything else that might come to mind. Using wool and cotton hand applique along with decorative stitching/embroidery there are endless ways to express your creativity. There will be several samples shared in class and little exercises to ignite everyone’s “inner architect” while constructing an original and unique project.

INSTRUCTIONS

If you have projects from any of our previous collaborative classes, PLEASE bring them to share with the group!!
