## **WORKSHOP DESCRIPTION**

Want to learn to print your own patterned fabric to use in your craft and DIY projects? Join Valori Wells, designer, quilter, maker, and Stitchin' Post co-owner to learn how to block print on fabric! This class will take you through the basics of block printing. You will learn how to carve your own block and print your design on fabric.

## **INSTRUCTIONS**

Most tools and materials are provided, including two blocks to be carved, carving and printing tools, and printing ink. You'll leave with your own custom-printed fabric gifts, ready to give – or keep!

## **SUPPLY LIST**

- Inspiration for blocks – photographs, magazine clippings, whatever inspires you
- Pencil / Ruler
- 2 yards of fabric for printing – fat quarters or small cuts in a variety of fabric styles and patterns are fun to see how they print. Fabric does not have to be prewashed.
- Old shirt or paint apron - something you don't mind getting inky
- An open mind and creative spirit!

**CANCELLATIONS:** Cancellation must be made **10 days** prior to the first day of class for a refund. Cancellation less than 10 days before the first day of class forfeits all registration monies paid. On occasion, the Stitchin' Post will cancel a class due to lack of registration. If the Stitchin' Post cancels this class, you may take a store credit or a refund. To minimize the chance that you will purchase your fabrics and supplies prior to a class that could cancel, we recommend that you call to confirm that the class has met its minimum enrollment and will go on as scheduled. Our recommendation is that you make class purchases within 10 days of the class start date.
