**CLASS LEVEL - ALL**

### **WORKSHOP DESCRIPTION**

Looking for a quick and easy way to create a wall hanging or table topper? Using just strips of fabric, this simple no-fail technique method will have you ready to quilt your art piece in hardly any time at all.

### **SUPPLY LIST**

- Sewing machine in good working order and general machine supplies
- Cheap muslin or a lightweight woven interfacing cut about the size of the project you might wish to make
- Fabrics—think variety. Small pieces and/or scraps in colors of choice, although I recommend a mix of neutrals and various colors, either warm or cool. Perhaps a small selection of rice papers, printed images, something with lettering (such as magazine). Think collage!
- Elmer's Washable School Glue Sticks (the white kind)
- Batting
- Scissors
  
- **Optional:**
  - Variety of specialized threads or colors
  - Rotary cutter and mat, although I like to keep things simple and prefer simply tearing or cutting with scissors

**CANCELLATIONS:** Cancellation must be made **10 days** prior to the first day of class for a refund. Cancellation less than 10 days before the first day of class forfeits all registration monies paid. On occasion, the Stitchin' Post will cancel a class due to lack of registration. If the Stitchin' Post cancels this class, you may take a store credit or a refund. To minimize the chance that you will purchase your fabrics and supplies prior to a class that could cancel, we recommend that you call to confirm that the class has met its minimum enrollment and will go on as scheduled. Our recommendation is that you make class purchases within 10 days of the class start date.
