**CONFIDENT BEGINNER**

### **WORKSHOP DESCRIPTION**

“Star Storm” is a dramatic radiating star quilt. It has a very different construction method than a typical block quilt. Taking a class to get you started on the right path will make this a happy experience. Sheila believes this is a quilt you will make more than once!

### **INSTRUCTIONS**

Choosing Fabric:

Looking at your pattern, you will see that the quilt is made in wedges of two different sets of fabric. The two sets contrast in the saturation of color used in each. Some rounds of color use the same fabric in both sets. Please come to class with your yardage, we will cut in class to avoid errors. Stitchin Post staff will be more than happy to assist with fabric selection.

If the Stitchin' Post cancels this class, you may take a store credit or a refund. To minimize the chance that you will purchase your fabrics and supplies prior to a class that could cancel, we recommend that you call to confirm that the class has met its minimum enrollment and will go on as scheduled.
