Sewing Instructions

A ¼" seam allowance is used throughout. Press seams on a regular basis.

1. Following the Quilt Assembly Diagram, arrange the half square triangles,
   beginning with column 1 on the right hand side of the diagram.
   They will be sewn together in vertical columns (these are numbered from right
   to left on the schematic). When you are pleased with the arrangement of colors,
   sew the triangles in column 1. **Figure 1.**

2. Complete columns 1 through 4 for section 1.
   Sew the columns together.
   Add B to the top and bottom of the section.
   Complete section 2, sewing 5 through 8 in the same manner.
   Add B to the top and bottom.
   Sew sections 1 and 2 together. Add C to the top and bottom.

Figure 2

3. Section 3: The half square triangles are assembled in diagonal rows.
   Figures 2 & 3. Complete the two rows and sew them together. Add B.
   Complete the second part of section 3. Sew the two parts together.
   Add C to the left side.
   Sew an A square to the top and bottom of section 3.
   Sew section 3 to the rest of the quilt.

4. Beginning with the bottom border and following
   the Quilt Assembly Diagram, arrange the border pieces
   and stitch together. Add to the quilt.

Figure 3

5. Follow the same procedure and complete the side border,
   then the top border. Add them to the quilt.

6. Layer the quilt and machine or hand quilt. Add binding.
